THE BLUE MONSTER

The golf course in Eppan – Appiano, South Tyrol, also called „Blue Monster“ because of the many water areas, has a ten-month season. The 9 holes of the „Blue Monster“ are always a challenge. Regardless of whether you try to conquer various water hazards directly with the Driver, or whether you want to take it easy and risk an additional stroke or two, the rounds are played according to this motto: „No risk, no fun!“

The strategically placed tees of the „Blue Monster“ are ideally playable for both the weaker and advanced golfers. The relatively wide fairways create pleasant alternative routes to not overstrain the weaker golfer. The terrain with pond areas and water hazards seems much more challenging than it actually is. However, if the player wants to take a risk in his strikes, he can expect not only greater potential success but also the penalty can be higher.
